

OPEN WEAVE

MORAVIAN STARS REVISITED

FRIDAY, AUGUST 30, 2024

9:30 AM - 3:30 PM

CLASS & TEACHER FEE: \$25

LOCATION: WALNFORD

Members of the PJBG can enjoy an Open Weave Day at Walnford on Friday, August 30. Karen will be also be offering a workshop that day - you choose!

We have woven Moravian stars in the past but Karen will be teaching us to create these beautiful two-color variations. They are made of 3 separate stars, glued together and dipped in wax. They would make a beautiful addition to anyone's Christmas tree. The white edges pop against the green boughs!

Karen will be bringing all of the tools and materials that you need to complete these beautiful variations of the Moravian Stars. She will also have paper strips for sale.

**Your check for \$25 should be made payable to the PJBG.
Don't miss this unique workshop!
Registration Deadline: August 15, 2024.**

(Tear here and return bottom portion) Send this completed form and your check for the class fee to:
Karen Wychock 108 Lyric Way, Warrington, PA 18976
