June 1-2, 2024
PJBG Annual Meeting Weekend

The Penn-Jersey Basketry Guild has planned a fun weekend for you at Walnford on June 1-2, 2024. Guild members will have the opportunity to create a broom with Erin Rouse. Class will take place on Saturday, June 1 at Walnford from 10 AM - 2 PM. Class is limited so don't delay! Please bring a lunch.

Our normal business meeting will take place on Sunday, June 2 from 10 AM - 4 PM. The Guild will supply coffee and hot tea for Sunday morning. The Guild will supply entrées for Sunday lunch. We ask each Guild member to bring a food item to share with fellow members. We need fruit, veggies, pasta salad, water, ice, desserts for breakfast and lunch, rolls, etc.

We are asking everyone to bring their own plate, cup and cutlery to the Sunday lunch. We are trying to get away from buying all of the paper products for each meeting and become more environmentally friendly. We will use up everything that we have in our stash, but will not purchase more inventory.

As always, feel free to bring items for our ever popular "Swap Meet" and for "Show and Tell." Anything left from the "Swap Meet" must be taken away by the member who brought it.

Hope to see you at our annual meeting.

Karen

Broom Making with Erin Rouse

PJBG Member class fee including materials: \$80

Nonmember class fee including materials: \$90

Calling all Broom enthusiasts!

On Saturday, June 1, 2024 Erin Rouse will be teaching us to make American Style Wing and Hawk tail brooms! Class will be held at Walnford located in Upper Freehold. There is no experience necessary to make this broom. This is a great class for both beginner and experienced broom enthusiasts!

Erin Rouse is an artist based in Brooklyn, NY. She has been making brooms professionally since 2017. Her work has been featured in publications including The New York Times, The Wall Street Journal, New York Magazine, Remodelista, Domino and others. In addition to making brooms, Erin is an avid natural dyer, sewer, and craft enthusiast.

Erin's Philosophy

I strive to use the nicest possible materials with the best possible technique. I want to love everything in my home and assume you do too. This means using natural dye stuffs, recipes from the Middle Ages, American grown wood, American made wire, nails from the oldest American nail maker, GOTS linen and cotton cord, and recyclable packaging.

We hope to see you for this unique experience! You will be leaving with a beautiful broom!

Registration Deadline is May 15, 2024.
